

**ANNUAL  
BARNFUL OF BLUES  
FESTIVAL**

Saturday August 1, 2009  
12:00 pm. – 8:00 pm

The Barnful of Blues Festival is a family-oriented music festival, with profits donated to the children’s charities. This all-day event, rain or shine, takes place at the 4-H Youth Center, in New Boston, NH. It features the best Blues and R&B bands, antique cars and food that New England has to offer!

*The New Boston Blues Association* is a grass roots organization founded in 2002, by local blues-loving residents of New Hampshire, with the goal of raising money for local children’s charities. Now in its fifth year, NBBA has again chosen *The Webster House* to be the beneficiary of this year’s event. *The Webster House* is a specialized, non-profit, residential facility for New Hampshire boys and girls, ages eight to eighteen, providing a safe haven for children unable to live at home.

The Association is seeking corporate and individual sponsorships to help defray the cost of putting on the event. Please consider sponsorship of this worthy event that will directly help children of the greater Manchester, NH area. *The Webster House* is financed by a combination of private donations, fees for service, grants from government agencies, plus a modest endowment. “We are pleased that the New Boston Blues Association has once again selected *Webster House* as the focus of their fund-raising activities,” said *Lou Catano*, Director of Webster House.

The volunteers of the New Boston Blues Association sincerely appreciate your support of our efforts.  
Please join us for a day of unforgettable music while helping us help The Webster House.
